

# Health and safety policy

<b>This is the statement of general policy and arrangements for:</b> Brentor and Moor Compassionate Neighbours Scheme		
<b>Mark Alderson</b> has overall and final responsibility for health and safety		
<b>Rob Ormsby</b> has day-to-day responsibility for ensuring this policy is put into practice		
<b>Statement of general policy</b>	<b>Responsibility of: Name/Title</b>	<b>Action/Arrangements (What are you going to do?)</b>
Prevent accidents and cases of work-related ill health by managing the health and safety risks in the workplace	Mark Alderson Rob Ormsby	Scope range of threats and hazards with members, document and mitigate the threat by training and supervision
Provide clear instructions and information, and adequate training, to ensure members are competent to do their work	Committee members – Rob Ormsby and Wendy Roderick	Emphasis will be made during training about the potential hazards.
Engage and consult with employees on day-to-day health and safety conditions	Duty Coordinator	To be a standing agenda item at all committee meetings.
Implement emergency procedures in the event of extreme weather etc	Duty Coordinator	Mark will advise members by phone not to travel
Maintain safe and healthy working conditions by providing support and supervision to volunteers if required	Committee	Nominated buddies who will provide peer support; ongoing supervision and peer support will be arranged

Signed: * (Employer)	Rob Ormsby	Date:	17.10.2024
----------------------	------------	-------	------------

You should review your policy if you think it might no longer be valid, e.g. if circumstances change.  
If you have fewer than five employees, you don't have to write down your policy.

Health and safety law poster is displayed at (location)	Not feasible due to working circumstances but the BMCN do attach great emphasis on this hence it being discussed at each committee meeting
First-aid box is located:	Members will be advised during training to carry one in their personal vehicle

# Risk assessment

Accident register	will be maintained on BMCN drive and any accident will be reviewed by Rob
-------------------	---------------------------------------------------------------------------

Accidents and ill health at work reported under RIDDOR (Reporting of Injuries, Diseases and Dangerous Occurrences Regulations) <http://www.hse.gov.uk/riddor>

Combined risk assessment and policy template published by the Health and Safety Executive 08/14

**name: BMCN 17.10.24**

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to control this risk?	Action by who?	Action by when?	Done
Lone working	members	Co-ordinator will know what days they are doing their visits; "Buddy system" in operation. Members to refer to L/W Policy	Not at this stage	n/a kept under review	annually	
Driving to and from clients on remote roads	members	Members will be advised on driving risks during inclement weather etc. Members to refer to relevant policy	Not at this stage	n/a kept under review	annually	
Accusations of bad practice	members	Providing training to ensure best practice is adopted and adhered to	Not at this stage	n/a kept under review	annually	
Potential hazards within home environment of clients	members and clients	Co-ordinator will carry out an environmental risk assessment before BMCN members attend, using the BMCN Risk Assessment Form (v.1). This will be shared with the assigned volunteer	Carry out reviews on regular basis; ask members to be aware on each visit	Co-ordinator	before first visit, then review regularly	
						<b>*Hint, tab here for new row*</b>

You should review your risk assessment if you think it might no longer be valid (e.g. following an accident in the workplace or if there are any significant changes to hazards, such as new work equipment or work activities)
